The KFA Scholarship Fund was established by the Kentucky Firefighters Association to assist Kentucky Firefighters in their quest for higher education. In an effort to fund this valuable program, the KFA commissioned Chas Fagan, renowned Fire Service artist, to produce a series of four (4) 18" X 24" (signed and numbered) Commemorative Fire Service Prints. Each series is limited to a production number of 3,500 prints. All proceeds from the sale of these prints go to the KFA Scholarship Fund. This fund awards Kentucky Firefighters or their dependents the opportunity to attend a university fire service program. The scholarship provides the student \$250.00 per semester up to a maximum of eight (8) semesters or four (4) years, which ever occurs first. The student must meet and maintain eligibility requirements to continue receiving the scholarship.
