

Minutes of KFFC held at Shively F.D. 3/20/2007

After a good meal prepared by Chief Wendell Vincent our meeting

Was called to order at 12:32.

All reports were accepted as presented.

New Business

President Dan Ennis informed the membership that we were invited to a class by the Indiana Fire Chaplain Corps, This class would be on Fire Dept. Funerals, starting at the very beginning and covering the complete Funeral process. It was suggested that one or two from the KFFC attend this class and gain the knowledge of their procedure, they may be doing something that we would like to do here in Ky.

There will be a Chaplain Class in Bergin Ky. April 13th & 14th every one is welcome at this class.

There will not be a Chaplain class at the state Fire School this year.

A class entitled Fire Fighter Maintenance (what ever that is) will take our place. For those planning to attend the Chaplain Class at the state fire School we're sorry this has happened.

Dan gave the membership a report on the Dixie Fire School Class which was a very good class, there were 26 registered at this class.

After a pretty lengthy discussion on things in general our meeting was adjourned at 1:40 e.d.t.

NEXT MEETING MAY 15 AT LEITCHFIELD, KY.

Be looking for all of you.
